

History of Wear the Veil Day

Wear the Veil Day was initiated by Andrea Hines of Charlotte, NC. We were setting up our table for Our Lady of the Veil at our Diocesan Eucharistic Congress when Andrea had the thought we should have a “Wear the Veil Day”. We thought this would help “jumpstart” women to try the veil since many may have never veiled or had not for a long time. So this was the true “birth” as we know it of Wear the Veil Day. There have been others promoting Wear the Veil Day on the internet. Please note that Our Lady of the Veil does not approve of any of the immodest videos that have been made by Anthony Perlas or any web-sites that go against Church teaching. I myself asked Mr. Perlas to remove any connection from his web-site to do with Our Lady of the Veil. I do not know Mr. Perlas and only spoke to him once at this point when I requested him to remove us from his web-site. Please note any web-site you may see Our Lady of the Veil linked to may not have our express permission. Please e-mail us with any questions to do with Our Lady of the Veil or Wear the Veil Day. Thank you and God Bless.
