

Let us all respond to the beautiful Sacred Tradition of women veiling....

For close to 2000 years women veiled before Our Lord!

Help Our Lady bring back modesty and purity to our world!

St. Paul explains why women should veil in 1 Cor 11:1-17

St. Augustine confirms this "For she is instructed for this very reason to cover her head, which he is forbidden to do because he is the image of God."

On the Trinity, Book XII, Chap 7
